The Women's Committee of Cincinnati Riverfront Park will hold its Fifth Annual 'Hats Off' Luncheon, **"We're Making History"** — Thursday, May 26, 2011 beginning at 11:00 a.m. at The Jacob G. Schmidlapp Stage and Event Lawn at Cincinnati Riverfront Park.

Later that evening from 5:30-9:00 p.m. on the Schmidlapp Lawn, the Women's Committee will present a FREE live public concert, **Riverfront Fusion**, featuring four live LOCAL bands playing a variety of Jazz, R&B, Rock and Salsa.

**These events will be the first to be held at the new Cincinnati Riverfront Park.**

"This year's luncheon—which has already generated unprecedented early ticket sales since plans for the luncheon were publicly announced earlier this year— will be a celebration of the partnerships between civic and corporate leaders, as well as every member of the Women's Committee of Cincinnati Riverfront Park, who have supported and envisioned the completion of this magnificent riverfront greenspace," noted Debbie Oliver and Helen Heekin, Co-founders of the Women's Committee and Co-chairs of this year's luncheon. **"Those wanting tickets should quickly call 513.357.2616.**" Then, the evening's FREE Riverfront Fusion Concert will be the first of many such cultural events for which this park was created. The impact of this park to drive tourism, business, real estate values and regional health cannot be understated. As more features in the park are completed over the next months, it will be clear that this park will become our city's new front door."

*The City of Cincinnati's Park Board—a long-time and much-trusted steward of our region's natural resources—is leading the construction of Cincinnati Riverfront Park. The new 45-acre public park-- a regional attraction which will welcome millions of visitors to downtown Cincinnati—is being built with a blend of federal, state, city and private dollars. Construction of this destination park, located adjacent to The Banks development, is moving forward collaboratively but independently from the Banks project. The Cincinnati Riverfront Park project is progressing on time and on budget.
